Testing will begin at **9:00 AM**.**Please make sure your child arrives on time. Students will not be admitted to class after the testing session begins. Students cannot be released from the classroom until the testing session is completed. These are un-timed tests, so your child will have as much time as he/she needs to complete each test.

Tips for helping your child prepare for SOL testing:

- * A good night's rest prior to testing
- * A good breakfast the morning of testing
- * Send your child to school with a positive attitude....
"You can do it!" "Do your best!" "Take your time."

***We are proud of our ALES students.....
they have worked hard and are prepared!***
